PLUGIN REVIEW: LOGIN LOCKDOWN

Here's a screen cast presentation demonstrating the security plugin login lockdown. This is one of my recommended security plugins.

This is my first attempt at screen casts to demonstrate plugins, please let me know how this format works for you.

WORDPRESS TRAINING

One of the things I like most about my business is teaching people how to use WordPress.

I often get people coming to me and asking for a session to teach them how to solve a problem rather than passing the problem to me to solve. I've always been happy to oblige.
